

The honesty of Prophet Muhammad peace be upon him

The Lord of the worlds testifying that Prophet Muhammed (peace be upon him) was truthful

Prophet Muhammed (peace be upon him) was very truthful. Those near and far from him have testified to this, but the testimony of his Lord praising him is enough. He (Glorified is :He) says

And the one who has brought the truth and [they who] believed in it - those are the .righteous. Surah Al-Zumar: 33

:And Allah told the truth when He says about the Prophet Muhammed (peace be upon him)

.Rather, he has brought the truth and confirmed the Messengers Surah As-Saffat: 37

:And says

Your companion is neither astray or misguided, nor does he say [anything] from [his own] .desires. It is no less than inspiration sent down to him) Surah An-Najm: 2-4

Nothing is more beneficial for the slave than being truthful to his Lord in all his affairs as well as being truly determined. Consequently, his truthfulness and determination is recognized, :as Allah (Glorified is He) says

Once the matter [of fighting in Allah's cause] is resolved upon, being true to Allah would be .better for them Surah Muhammed: 21

He attains happiness because of being truly determined and honest. And who is truthful to .Allah in all his affairs, He will arrange for him better than what He arranges for others

*How can you lay down steps in order to be truthful in all circumstances in your life
